2025 Ultrasound-Guided Fine-Needle Aspiration (USFNA) Faculty Biographies and Contact Information

David Lieu, MD, MBA, RDMS, FCAP

Dr. Lieu is a pathologist and founder of the Fine Needle Aspiration Medical Group, Alhambra, California. He is board certified in anatomic and clinical pathology and cytopathology. In addition, he is a registered diagnostic medical sonographer in breast ultrasound and question writer for the American Registry for Diagnostic Medical Sonography (ARDSM) registry examinations in sonographic principles and instrumentation and breast ultrasound. Dr. Lieu performs over 2,000 biopsies per year on thyroid, breast, head and neck, salivary glands, axilla, and lymph nodes, and other superficial sites. He has published papers on USFNA and has been a speaker and visiting professor at various universities in the United States, Europe, and Asia. Dr. Lieu is also a certified instructor in head and neck ultrasound for the American College of Surgeons. In 2015, he received a Certificate of Recognition from Congress for his work mentoring pre-med college students. In 2016, Dr. Lieu received the Outstanding Alumnus Award from the UC Irvine School of Medicine. In 2019, he received the Yolanda Oertel Interventional Cytopathologist Award from the Papanicolaou Society of Cytopathology. In 2022, Dr. Lieu received the Outstanding Educator Award from the CAP.
